#### **JURISDICTION AND VENUE**

5. This civil action arises under the Patent Laws of the United States, 35 U.S.C. § 1 *et seq.*, including without limitation 35 U.S.C. §§ 271, 281, 283, 284, and 285.

6. This Court has federal subject matter jurisdiction over this action pursuant to, *inter alia*, 28 U.S.C. §§ 1331, 1332, and 1338(a).

7. Personal jurisdiction exists generally over the Defendants because each Defendant has sufficient minimum contacts and/or has engaged in continuous and systematic activities in the forum as a result of business conducted within Texas, including in the Eastern District of Texas. This Court has personal jurisdiction over Defendants pursuant to TEX. CIV. PRAC. & REM. CODE § 17.041 *et seq.* and principles of due process. Personal jurisdiction also exists over each Defendant because on information and belief each, directly or through subsidiaries, makes, uses, sells, offers for sale, imports, advertises, makes available, and/or markets products and/or services within Texas, including in the Eastern District of Texas, that infringe one or more claims of United States Patent Nos. 8,825,801, 9,032,039, 9,619,578, and 9,922,348 (herein referred to as the “Patents-In-

8. Defendants’ business includes Defendants’ operation of the Internet website, <<https://www.samsung.com/global/galaxy/apps/samsung-members/>>, which is available to and accessible by users, customers, and potential customers of the Defendants within this District, and the Defendants’ sale of, among other things, smartphones within this District, both online, *see e.g.*, <<https://www.samsung.com/us/smartphones/galaxy-s24-ultra/>>, through other online stores, and through varied brick-and-mortar locations within the District (*e.g.*, Verizon stores, T-Mobile stores, etc.). Moreover, Defendants advertise to District residents to hire employees located in the District. As of the time of this Complaint, Defendants have at least 24 job openings in Plano, TX. See *e.g.*, <<https://www.samsung.com/us/careers/>>. To that end, and on information and belief, Defendants regularly conduct and solicit business in, engage in other persistent courses of conduct in, and/or derive substantial revenue from goods and services provided to residents of this District.

9. Further, upon information and belief, Defendants have induced acts of infringement, and/or advertise, market, sell, and/or offer to sell products, including infringing products, in this District.

10. All allegations and support thereof regarding jurisdiction herein are hereby incorporated by reference for the purposes of venue.

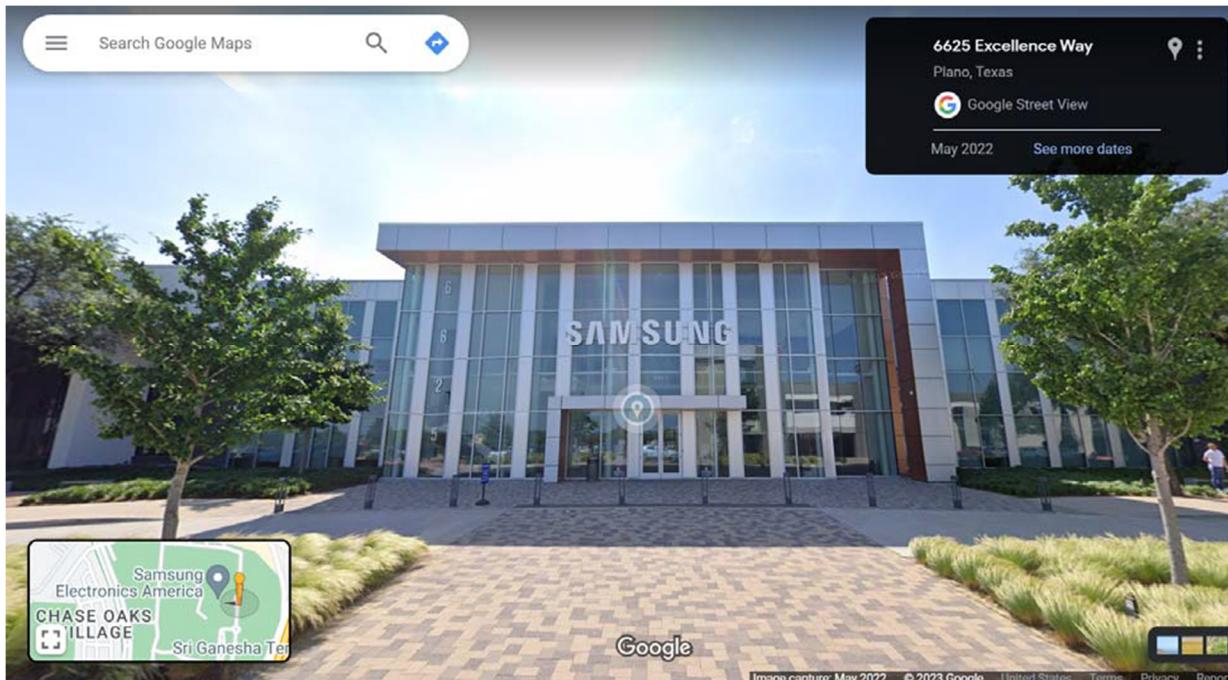

11. Venue is proper in this Court under 28 U.S.C. §§ 1391(b) and (c) and 1400(b). Defendant SEA makes, uses, sells, offers to sell, and/or imports products and/or services that are accused of infringing the Patents-In-Suit into and/or within this District and has a regular and

established place of business within this District. Defendant SEC is a foreign company with no place of business in the United States.

12. Defendant SEA maintains multiple places of business within this District. For example, Defendant SEA maintains its "Flagship North Texas Campus" in this District, which it opened in 2019 with a "216,000 square foot building" and "more than 1,000 regional employees."

13. <https://www.google.com/maps/> (6625 Excellence Way, Plano, Texas) (last visited June 1, 2024). Since opening SEA's Flagship Plano Campus in 2019, Samsung has further expanded its Plano footprint multiple times, including, for example, with the addition of locations at 6625 Declaration Way, Plano, Texas 75023, and at 6105 Tennyson Parkway, Plano, Texas 75023. See, e.g., <https://www.dallasnews.com/business/retail/2023/01/06/samsung-growing-in-north-texas-with-offices-in-plano-and-coppell-warehouse/> (last visited June 1, 2024) ("In 2020, Samsung expanded the Plano office by another 75,000 square feet, according to planning

documents filed with the state. Then in 2021, Samsung added another 60,000 square feet of offices in the Legacy Central building at 6625 Declaration Way. Now Samsung is taking 33,226 square feet of offices in another Plano building. The South Korea-based company has leased the third floor in The Tennyson office campus at 6105 Tennyson Parkway in Legacy business park.").

14. Further, for example, Samsung also maintains a "Samsung Experience Store" within the Eastern District of Texas, located at 2601 Preston Rd. #1214, Frisco, Texas 75034: <https://www.samsung.com/us/samsung-experience-store/locations/> (last visited June 1, 2024). At this facility, Samsung invites its customers "to shop our Galaxy of products, learn directly from experts and get Samsung-certified service and repairs." <https://www.samsung.com/us/samsung-experience-store/> (last visited June 1, 2024).

15. Defendants have solicited business in the Eastern District of Texas, transacted business within this District, and attempted to derive financial benefit from the residents of this District, including benefits directly related to Defendants' infringement of the Patents-In-Suit.

16. Defendants are properly joined under 35 U.S.C. § 299(a) because, on information and belief, Defendants commonly and/or jointly make, use, sell, offer to sell, test, design, distribute, and/or import the Accused Products such that at least one right to relief is asserted against Defendants jointly, severally, and in the alternative with respect to or arising out of the same transaction, occurrence, or series of transactions or occurrences relating to the making, using, selling, offering to sell, and/or importing into the United States of the same Accused Products, and such that questions of fact common to all Defendants will arise in this action.

17. Plaintiff confirms that it has complied with 35 U.S.C. § 287 as necessary.
